TEXTILES - Mill Cloth - Sale of cloth to readymade garment makers - Prohibition from holding a mill cloth licence - Proposals of the Director of Controlled Commodities - Orders issued.

HOME (DEVELOPMENT) DEPARTMENT

G.O.Ms.No.1231 dated 24th March 1952

Read:-

From the Director of Controlled Commodities, No. RC. C6.142056/51 dated 19-2-1952.

ORDER

The Director of Controlled Commodities proposes that the mill cloth licences already issued to ready-made garment makers and tailors may be cancelled and that in future no new licences should be issued to them. The Government consider that it is not fair to straightaway cancel the mill cloth licences issued to readymade garment makers and tailors on the ground they are readymade garments makers or tailors and that such of the licensed dealers who are readymade garment makers or tailors may first be told that they cannot be licenced dealers as well as ready-made garment makers or tailors and asked to choose to be either a dealer in cloth or a garment maker including tailor and that the licences of dealers who prefer to be readymake garment makers or tailors should be cancelled. Subject to this modification the Government approve the Director of Controlled Commodities's proposals. The Collectors are requested to take action accordingly.

(BY ORDER OF THE GOVERNOR)

S.ARULDOSS
DEPUTY SECRETARY TO GOVERNMENT

To The Director of Controlled Commodities.
To All Collectors.
